

Keys to Joining the Hunt

1. There is no fee to participate in Treasure Hunt Three ("TH3"). We encourage you to make a tax-deductible donation to the ThanksUSA scholarship fund to ensure that this year's scholarship goals are met.
 2. This is a "virtual" treasure hunt, so you research the questions and find the answers using books and the Internet. The idea behind each chapter of the "hunt" is to follow the clues in the puzzles or questions as they lead you to the final answer.
 3. All the clues to find the correct answers are in the *2008 ThanksUSA Treasure Hunt Clue Book* and at our Web site: <http://www.ThanksUSA.org>.
 4. All chapters can be accessed and played online on the Web site, once you have registered. You can also download the *2008 ThanksUSA Treasure Hunt Clue Book* as a PDF file from the Web site. Alternatively, you can send a 9"x12" envelope to:
ThanksUSA Clues
1390 Chain Bridge Road, #260
McLean, VA 22101
- Please send \$7.50 to cover the cost of shipping and handling. Larger contributions are always welcome, since they will help us "thank" the troops by funding scholarships for their spouses and children.

5. Registration

Individual Players:

- a. Complete the online registration form on the Web site: <http://www.ThanksUSA.org>. If you do not have access to the Internet, you may submit your final answer via mail following the instructions in the Official Rules.
- b. If you registered for the 2006 or 2007 Treasure Hunt, you DO NOT NEED to register again to play TH3. You can simply sign in using your information from the previous year. If you have forgotten your username or password, please refer to the Web site for instructions on how to request a reminder or to assign a new password.
- c. If you are age 14 or under, you must have the "Parental Approval" box checked by your parent or guardian.
- d. If you are not a citizen of the United States, you can still register to play the game, but you must select "no" when asked if you are a "U.S Citizen." Non-citizens who take part in the contest will not be eligible to claim prizes.

Classrooms and Schools

- a. Teachers and their students can team up to win prizes as a class. A teacher registers his/her class at our Web site just he/she would as an individual; rather than selecting "individual" during the registration process, select "classroom" and provide the school contact information. (Teachers and students can register and play as

individuals, in addition to being part of a registered class. This does not count as registering twice.)

b. Any K-12 class can register to play, including a home-school class, as long as the teacher registers.

c. On behalf of the class, the teacher will submit the final answer for a given chapter or chapters.

Youth Groups:

a. Youth groups can sign up to win prizes. The adult supervisor registers his/her youth group at our Web site just as he/she would as an individual; rather than selecting "individual" during the registration process, select "youth group" and provide the youth group contact information. (Adults and youth can register and play as individuals, in addition to being part of a registered youth group. This does not count as registering twice.)

b. Any youth group can register to play, as long as the adult supervisor registers.

c. On behalf of the youth group, the adult will submit the final answer for a given chapter or chapters.

6. You can only submit one final answer for each chapter. Unlike previous years, this year, after you have entered and submitted your final answer, you will get one chance to go back and change your final answer if it is wrong.

7. You can answer one chapter, two chapters, or more, or answer all 12 chapters, but no entrant can win a prize for more than one chapter per phase of the Treasure Hunt. To be eligible for the Grand Prize, you must submit the correct answers for all 12 chapters. You can win a chapter prize and the grand prize.

8. Winners will be selected randomly from those entrants who submitted correct answers.

9. Entry Deadlines

a. TH3 begins Thanksgiving Day, November 22, 2007, and ends August 15, 2008. We will award prizes in two different phases. During Phase I, we will draw winners from the schools and youth group entries. During Phase II, we will draw winners from the individual entries.

b. Entries must be submitted online (or postmarked if you submit them by mail) by 11:59 p.m. Eastern Daylight Time on the entry deadline found on the chart below for each phase of the hunt.
