ABOUT BONNIE

Bonnie Vona grew up listening to stories of her father's time in the Navy. She started volunteering on the Yongsan Army Base when she was living in Korea. At the same time, tennis was her source of community involvement and recreation. When she returned to the states, tennis became her career. Bonnie is currently Senior Manager of Junior Competition for the USTA Mid-Atlantic Section (MAS). Through MAS, she met ThanksUSA and has been working with them since.

Outside of tennis, Bonnie enjoys time with friends and family, music and movies, travel, politics, football and baseball, kayaking, horses and dogs.
