All of those who enter more than once per Chapter will be disqualified. However, teachers, students and other Youth Group members or Supervising Adults may register to play as individuals in Phase II, in addition to being part of a registered Youth Group in Phase I. All entries become the exclusive property of ThanksUSA and will not be acknowledged or returned. Any use of robotic, automatic, programmed or any other non-manual entry methods will be void and all those who use these methods will be immediately disqualified. Entries will be considered eligible only if (1) they are received by the relevant Entry Deadline for that Chapter and Phase, (2) all eligibility requirements set forth in these Official Rules are met; and (3) the correct answer is submitted for the particular Chapter. All decisions made by ThanksUSA in connection with answers to the questions in each Chapter are final and binding. A Participant may not win the prize for more than one Chapter per Phase. Winner Selection by Random Drawing

All eligible entries will be entered into the relevant drawings. One (1) winner for each of the Chapters per Phase will be determined by random selection among eligible entries. In Phase I, if a winning Youth Group is a school class, all other entries from any class at that particular school will be removed from the other drawings in that Phase. In Phase II, once a winner is selected for any particular Chapter, his or her entry will be removed from the other drawings in that Phase; however, a Phase II winner may still be eligible for the Grand Prize. A winner will also be determined by random selection for the Grand Prize from among all those eligible Participants who successfully solved all seven (7) Chapters of the Treasure Hunt in Phase II. Winners will be announced and notified after each drawing.

Claiming Prizes

The winners will be posted on the Web Site and all winners will be notified by phone, by e-mail or by U.S. mail on or before December 31, 2010. Winners shall have 15 days from the date of notification (as determined by the date of e-mail or date of postmark, as applicable) to accept their prize either by e-mail or by U.S. mail to the address specified in the notification. Within five (5) days of acceptance, winners will be required to sign a declaration of eligibility and to furnish certain documentation to support such declaration. For Phase I, prizes will be awarded either in the name of the school of the winning class or in the name of the Supervising Adult, as applicable. For Phase II, prizes will be awarded in the name of the registered Participant or in the name of a parent, guardian or other authorized adult for any Participant who is under the age of 18 at the time of prize collection. Winners may also be required, where lawful, to sign a publicity consent agreement authorizing the use of their name, photographs, voices and likenesses for publicity purposes.

ThanksUSA is not responsible for and shall not be liable for any late, lost, or misdirected notifications or acceptances (e.g., in the case of any change of address), or for a winner's unsuccessful efforts to claim any prize. If a selected winner cannot be contacted, is ineligible, fails to claim a prize, or fails to timely return the completed and executed declaration and releases as required, the prize may be forfeited and an alternate winner may be selected in accordance with these Official Rules. In the event of the dispute regarding who submitted an online entry, the entry will be deemed submitted by the authorized account holder of the e-mail account. The right to claim a prize may not be sold, traded or transferred, and prizes may not be substituted or redeemed for cash value. Winners must take possession of prizes by December 31, 2010, unless otherwise specified in the prize description.
