### **About ThanksUSA**

ThanksUSA is a non-partisan, charitable effort to mobilize Americans of all ages to "thank" the men and women of the United States armed forces by providing college, technical and vocational school scholarships for their children and spouses. ThanksUSA offers two interconnected programs: The national treasure hunt and the military family scholarship program. The treasure hunt raises awareness, excitement and funds for the scholarship program in an educational, family-friendly way. And the scholarships are an invaluable way to "thank" our troops with the gift of education. Over 1,350 scholarships have been awarded by the organization for a total of nearly \$4 million.
