

GAME. SET. GIVE.

Tennis Clubs/Pros:

Let's make 2016 a year for supporting military families through tennis. We are asking tennis clubs and pros across the country to join us in supporting ThanksUSA's Tennis Thanks the Troops campaign. Tennis Thanks the Troops (TTTT) is a partnership between ThanksUSA and the United States Professional Tennis Association (USPTA).

ThanksUSA is a non-partisan, charitable effort to mobilize Americans of all ages to thank the men and women of the United States Armed Forces. The organization provides need-based college, technical and vocational school scholarships for the children and spouses of military personnel. ThanksUSA has provided more than \$11 million in scholarships since 2006. We are asking your club to do what you can to support our military at this time.

We are asking clubs to support the campaign by participating this Memorial Day weekend. If every club can do their small part, imagine what we can accomplish together in the spirit of tennis to help our military families. Here is your opportunity to make a material difference for the families who have sacrificed so much for our country. Please consider hosting an event with proceeds donated to ThanksUSA.
