APEX Systems, Inc.
The third annual Jackson Casey Memorial Golf Tournament, presented by Apex, took place on July 14, 2014, at the Belle Haven Country Club in Alexandria, VA. Over 128 players gathered from all over the country in loving memory of Jackson.

Through the golf tournament and individual contributions, the Jackson Casey Fund received over $175,000. And in the 2014-2015 school year, 33 scholarships totaling $99,000 were awarded in Jackson’s name.

Since its inception in 2012, the Jackson Casey Fund has raised over $550,000 to benefit the mission of ThanksUSA and over the three years awarded 73 scholarships in Jackson’s name.

“I am deeply honored to be a Jackson Casey Fund/ThanksUSA scholarship recipient and want to thank you on behalf of my entire family.”
— Bethany Haynes
Jackson was an energetic and caring eleven-year-old who touched many people with his kindness in a short time. He loved sports and enjoyed competing, especially with his brother and sister. He was a great teammate, enthusiastic and supportive in victory or defeat. Jackson was a fun and loving brother and friend to everyone he met.

Jackson enjoyed attending military ceremonies with his grandfather, and was fascinated by the military and our men and women in uniform. Jackson’s giving nature and huge heart combined with his love of the military made this feel like the right place to focus the work of The Jackson Casey Fund.

In partnership with ThanksUSA, the Jackson Casey Fund was created to honor the women and men of the Armed Forces by providing need-based scholarships for their children and spouses. The scholarships given in Jackson’s name will benefit families from Virginia with an emphasis on Northern Virginia.

Thank you for your commitment to continuing Jackson’s legacy of helping others and for “thanking” military families!

Our Mission:
To keep the memory and spirit of Jackson alive throughout the community and to help raise funds for college scholarships for children and spouses of our nation’s soldiers.

ThanksUSA
Thanking America’s Troops and Their Families with the Gift of Education

About ThanksUSA
Our liberties come with a heavy price. America’s servicemen and women volunteer to serve our Nation and find themselves on the front lines in Iraq and Afghanistan. As a result of this dedication of their careers and lives to our great Nation, the loved ones left at home become, in a way, our families and our children too.

ThanksUSA is a non-partisan 501(c)(3) organization that mobilizes Americans of all ages to provide tangible thanks to the men and women serving our country and defending our freedoms through need-based educational scholarships to the dependents and spouses of U.S. military personnel, with special emphasis given to those who lost a loved one in service to America.

Scholarship Program Highlights
ThanksUSA’s scholarship program is unique in that both spouses and children of service men and women can apply to the same organization for support. Our scholarships are need-based – enabling those who most need and deserve the opportunity to transform their lives through higher education the opportunity to do so.

- Since ThanksUSA’s inception in 2006, we have awarded nearly 3,400 scholarships for a total value of over $10 million
- Our scholarship recipients represent all military branches – Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard and Reserve – and come from each of the 50 states and the District of Columbia

An Urgent Call
In the past year alone, ThanksUSA received 2,400 applications from the spouses and children of our armed forces. While we were honored to provide 300 scholarships valued at $3,000 each, we could only meet a small portion of the need among deserving applicants. In 2015, with your help and that of other like-minded Americans, we seek to award at least 500 scholarships totaling $1.5 million.

Four-Star Rating from Charity Navigator
Charity Navigator, America’s largest and most-utilized independent evaluator of charities, has awarded ThanksUSA the prestigious 4-star rating, Charity Navigator’s highest, given to nonprofits that practice exceptional fiscal responsibility and governance in fulfilling their mission. The rating indicates that ThanksUSA adheres to good governance, sound fiscal management and commitment to accountability, transparency and other best practices.

2015/16 Choice of Catalogue for Philanthropy: Greater Washington
ThanksUSA has been chosen for the 2015/16 Catalogue for Philanthropy: Greater Washington, making it one of the region’s best community-based charities. This award recognizes ThanksUSA’s effectiveness and success in working to provide scholarships to children and spouses of military families.

90% of your contribution supports the scholarship program
Army dependent Elizabeth Bonney was awarded a $3,000 Jackson Casey Fund/ThanksUSA scholarship to continue her undergraduate studies at Southern Virginia University. Elizabeth carries majors in Liberal Arts and English and is planning for a career with the Peace Corps Education Department or UNICEF’s Schools for Africa program.

The third oldest of 14 children, Elizabeth describes herself as a natural leader who loves teaching others. She has led service groups in international settings, tutored her younger siblings, and most recently taught English to students in Changzhou, China.

Elizabeth’s brothers and sisters share her academic drive. Younger brother Benjamin was also a Jackson Casey Fund/ThanksUSA scholar during the 2014-2015 academic year. Elizabeth, Benjamin, and older siblings Sarah and John have each applied for a 2015-2016 ThanksUSA scholarship.

“The Jackson Casey Fund/ThanksUSA scholarship has given me the chance to complete school earlier than expected as I am able to spend more time on my academics than in a work setting. I will never be able to express my full gratitude to those who have helped me and so many others pursue our dreams.”
