# Jackson Casey Memorial Scholarship Fund

The Fifth Annual Jackson Casey Memorial Golf Tournament, presented by Apex, took place last July at the Belle Haven Country Club in Alexandria, VA. There were 112 players who gathered from all over the country in loving memory of Jackson.

Through the golf tournament and individual contributions, the Jackson Casey Fund received \$193,000. And in the 2016-2017 school year, 58 scholarships totaling \$174,000 were awarded in Jackson's name.

Since its inception in 2012, the Jackson Casey Fund has raised nearly \$1 million to benefit the mission of ThanksUSA and has awarded 181 scholarships in Jackson's name.

---

*“Thank you for supporting my endeavors and those of fellow military families through Jackson’s life.”*

— Benjamin Solem

---

Jackson was an energetic and caring 11 year-old who touched many people with his kindness in a short time. He loved sports and enjoyed competing, especially with his brother and sister. He was a great teammate, enthusiastic and supportive in victory or defeat. Jackson was a fun and loving brother and friend to everyone he met.

In partnership with ThanksUSA, the Jackson Casey Fund was created to honor the women and men of the Armed Forces by providing need-based scholarships for their children and spouses. The scholarships given in Jackson's name will benefit families from Virginia, with an emphasis on Northern Virginia.

Jackson enjoyed attending military ceremonies with his grandfather, and was fascinated by the military and our men and women in uniform. Jackson's giving nature and huge heart, combined with his love of the military, made this feel like the right place to focus the work of the Jackson Casey Fund.

Thank you for your commitment to continuing Jackson's legacy of helping others and for thanking military families!

### *Our Mission:*

To keep the memory and spirit of Jackson alive throughout the community and to help raise funds for college scholarships for children and spouses of our nation's soldiers.

# ThanksUSA

Thanking America's Troops and Their Families with the Gift of Education

## About ThanksUSA

Our liberties come with a heavy price. America's servicemen and servicewomen volunteer to serve our nation and find themselves on the front lines in Iraq and Afghanistan. As a result of this dedication of their careers and lives to our great nation, the loved ones left at home become, in a way, our families and our children too.

ThanksUSA is a nonpartisan 501(c)(3) organization that mobilizes Americans of all ages to provide tangible thanks to the men and women serving our country and defending our freedoms through need-based educational scholarships to the dependents and spouses of U.S. military personnel, with special emphasis given to those who lost a loved one in service to America.

## Scholarship Program Highlights

ThanksUSA's scholarship program is unique in that both spouses and children of servicemen and servicewomen can apply to the same organization for support. Our scholarships are need-based – enabling those who most need and deserve the opportunity to transform their lives through higher education the chance to do so.

- Since ThanksUSA's inception in 2006, we have awarded nearly 4,000 scholarships for a total value of \$12 million
- Our scholarship recipients represent all military branches – Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard and Reserve – and come from each of the 50 states and the District of Columbia

## An Urgent Call

This year, ThanksUSA received nearly 1,800 applications from the spouses and children of our armed forces. We were honored to provide 250 scholarships in 2016, valued at \$3,000 each, as well as three full in-kind scholarships, for a grand total of \$900,000. However, we could only meet a small portion of the need among deserving applicants. ThanksUSA recently launched the "\$100 Million Strong" campaign to grant more than 25,000 scholarships to military family members over the next 10 years.

**90% of your contribution supports the scholarship program**

## 2015/16 Choice of Catalogue for Philanthropy: Greater Washington

ThanksUSA was chosen for the 2015/16 Catalogue for Philanthropy: Greater Washington, making it one of the region's best community-based charities. This award recognizes ThanksUSA's

effectiveness and success in working to provide scholarships to children and spouses of military families. ThanksUSA will be featured in the 2017 edition of the Catalogue for Philanthropy: Greater Washington.

*"I hope that through my hard work and dedication that I am not only deserving of this honor but that I am also honoring Jackson. You have my deepest gratitude and most heartfelt of thanks."*

– Kennedy O'Malley-Dertien

# Zoe Jones

Jackson Casey Fund/ThanksUSA Scholar in attendance

Air Force dependent Zoe Jones was awarded a \$3,000 Jackson Casey Fund/ThanksUSA scholarship to begin undergraduate studies at The King's College in New York City. She recently returned from a memorable trip to Israel.

With the goal of working in news production or public relations, Zoe intends to complete a Bachelor of Arts in Media, Culture, and the Arts with a core curriculum in Politics, Philosophy, and Economics and a Journalism and Film Studies concentration.

---

*“I am honored to have been selected as a Jackson Casey Fund/ThanksUSA scholarship recipient. Without your donations to ThanksUSA, many military children would be unable to afford a college education. You are the key to building our nation’s future and it is my hope that I, and other ThanksUSA scholars, will use this scholarship to honor Jackson’s memory and influence others in a positive manner. I appreciate your support of military family members and thank you again for this award.”*

---

“Media outlets have an important job of not only presenting the most pressing news of the day, but also presenting it in a manner for the average American to fully understand. It would be a great fulfillment of my dream to help produce and distribute information through media. My ultimate career objective would be to start a non-profit to help promote technical media skills for high school students that may not have the funds or opportunities to learn on their own.”

Zoe is gaining valuable experience as the Head Managing Producer at the school’s broadcast organization Empire State Television. She serves as the Creative Director for the Table: Black Student Union as well as volunteers with the Susan B. Anthony House while working full time as a Child

Care Leader at both Central Presbyterian and Trinity Grace churches. She received Dean’s List recognition for outstanding academic achievement with a 3.7 G.P.A. both semesters.

Zoe’s parents, Daryl (Col) and Martha Jones (LtCol), retired from the United States Air Force after over 20 years of service. They are now International Directors of Military Ministry, and serve as missionaries to over 30 nations’ militaries. Her brother, Phillip, is a Captain in the Marine Corps. Her other brother, Joshua, was a 2013 ThanksUSA recipient and is currently pursuing his PhD in geophysics at Virginia Tech. As her parents are full-time missionaries, Zoe is grateful for the financial support of the Jackson Casey Fund/ThanksUSA scholarship.
