The sixth annual Jackson Casey Memorial Golf Tournament, presented by Apex and The Massey Family, took place last June at the Belle Haven Country Club in Alexandria, VA. Players gathered from all over the country in loving memory of Jackson, including special guest and pro golfer Scott Piercy who was on hand to support the event.

In 2017, the Jackson Casey Fund awarded 75 more scholarships to military children totaling $225,000. Since its inception in 2012, the Fund has raised more than $1 million to benefit the mission of ThanksUSA and has awarded 256 scholarships in Jackson’s name.

“*The Jackson Casey Fund/ThanksUSA scholarship creates a positive chain reaction by lessening the financial burden on military families. I cherish the opportunities that this scholarship has afforded me.*”

— Brianna Cupp
Jackson was an energetic and caring 11 year-old who touched many people with his kindness in a short time. He loved sports and enjoyed competing, especially with his brother and sister. He was a great teammate, enthusiastic and supportive in victory or defeat. Jackson was a fun and loving brother and friend to everyone he met.

In partnership with ThanksUSA, the Jackson Casey Fund was created to honor the women and men of the Armed Forces by providing need-based scholarships for their children and spouses. The scholarships given in Jackson’s name will benefit families from Virginia, with an emphasis on Northern Virginia.

Jackson enjoyed attending military ceremonies with his grandfather, and was fascinated by the military and our men and women in uniform. Jackson’s giving nature and huge heart, combined with his love of the military, made this feel like the right place to focus the work of the Jackson Casey Fund.

Thank you for your commitment to continuing Jackson’s legacy of helping others and for thanking military families!

Our Mission:
To keep the memory and spirit of Jackson alive throughout the community and to help raise funds for college scholarships for children and spouses of our nation’s soldiers.

ThanksUSA
Thanking America’s Troops and Their Families with the Gift of Education and Pathways to Meaningful Employment.

About ThanksUSA
Our liberties come with a heavy price. America’s service men and women volunteer to serve our nation and find themselves on the front lines defending our freedoms. As a result of this dedication of their careers and lives to our great nation, the loved ones left at home become, in a way, our families and our children too.

ThanksUSA is a nonpartisan 501(c)(3) organization that thanks the men and women serving our country by providing need-based scholarships and pathways to employment for their children and spouses, with special emphasis given to those who lost a loved one in service to America.

Scholarship Program Highlights
ThanksUSA’s scholarship program is unique in that both spouses and children of U.S. military personnel can apply to the same organization for support. Our scholarships are need-based – enabling those who most need and deserve the opportunity to transform their lives through higher education the chance to do so.

- Since ThanksUSA’s inception in 2006, we have awarded more than 4,200 scholarships valued at more than $13 million.
- Our scholarship recipients represent all military branches and come from each of the 50 states and the District of Columbia.

Pathways to a Brighter Future
This year, ThanksUSA received more than 2,300 applications from military spouses and children. For the 2017-18 scholar year, we were honored to provide 315 scholarships, totaling $1,327,510. However, we could only meet a small portion of the need among deserving applicants. In order to meet the evolving needs of our scholars and their families, we launched the Pathways for Patriots program which is cultivating professional relationships between our scholars and corporate partners through mentorship, networking, internships, and career opportunities.

Responsible Stewardship and Operational Expertise
Our fiscal responsibility, financial transparency, strong governance, and average expense ratio of only 10 percent serve as an excellent measurement of integrity, financial health, and operational stability. Ninety percent of your contribution will support the scholarship program.

“[My educational pursuits would not be possible without generous support from scholarship sponsors like you. Thank you for enabling this opportunity!”
— Kelsey Henley
Air Force dependent Hannah Bear was awarded $6,000 in Jackson Casey Fund/ThanksUSA scholarships for undergraduate studies at Roanoke College.

During her time at Roanoke, Hannah made local activism a priority. She established the Roanoke chapter of Eye to Eye, a mentoring program for students with disabilities, held office with Students for Equality, and conducted weekly tutoring sessions with West End Tutoring. For her Honors Distinction Project, Hannah developed a video game in which players are invited to interact with the perspective and challenges of a life lived by an individual with autism.

A Fulbright Summer Scholar and Honors Program Graduate, Hannah was one of two valedictorians for Roanoke’s class of 2018. She completed a communications major with a sociology minor and was inducted into the Phi Beta Kappa National Honor Society, Alpha Chi National Honor Society, and Omicron Kappa National Honor Society.

Hannah has been accepted to the Curry School of Education at the University of Virginia where she will pursue a master’s degree in special education and elementary.

“Your support and investment in my education has meant the world to me and has allowed me to be the kind of person I have dreamed I would become. Thank you so much for being part of my academic journey!”
Navy dependent Kirsten Chase received a $3,000 Jackson Casey Fund/ThanksUSA scholarship for her second year of undergraduate studies at Elon University in North Carolina. A student of Elon’s prestigious Fellows Academic Program, Kirsten is preparing for a career in public relations by majoring in strategic communications.

Kirsten serves as an Account Executive with Elon’s Live Oak Communications, an on-campus volunteer marketing firm that works with business clients in Burlington, North Carolina. She is a regular contributor to Elon University’s FreshTV and ETalk radio station and enjoys singing with the Sweet Signatures A Cappella group.

This summer, Kirsten will gain valuable experience interning with NRECA (National Rural Electric Cooperative Association) in Arlington. As a communications intern, she will assist with media outreach projects and social media campaigns.

Jenn and I would like to thank everyone for all the love and support over the past seven years. We both know we could not have gotten to this point without the help from our family and friends. By supporting ThanksUSA and the JC7 Fund, you have allowed us to carry on Jackson’s Legacy. I have mentioned it before, but I always felt that a piece of Jackson is at the schools the recipients are attending. Over the first six years, we have been able to give away 250+ scholarships and that will only continue. From the bottom of our hearts, thank you all very much!!

**JC7 Forever.**

Love,
The Casey Family
