The first annual Jackson Casey Memorial Golf Tournament, presented by Apex, took place on July 16, 2012 at the Belle Haven Country Club in Alexandria, VA. Over 140 players gathered from all over the country in loving memory of Jackson.

Through the golf tournament and individual contributions, the Jackson Casey Fund received over $200,000. And in the 2012-2013 school year, 15 scholarships totaling $45,000 were awarded in Jackson’s name.

“Thank you for graciously supporting military personnel and their families through Jackson’s life.”
– Hannah Solem
Jackson was an energetic and caring eleven year old who touched many people with his kindness in a short time. He loved sports and enjoyed competing, especially with his brother and sister. He was a great teammate, enthusiastic and supportive in victory or defeat. Jackson was a fun and loving brother and friend to everyone he met.

Jackson enjoyed attending military ceremonies with his grandfather, and was fascinated by the military and our men and women in uniform. Jackson’s giving nature and huge heart combined with his love of the military made this feel like the right place to focus the work of The Jackson Casey Fund.

In partnership with Thanks USA, the Jackson Casey Fund was created to honor the women and men of the Armed Forces by providing need based scholarships for their children and spouses. The scholarships given in Jackson’s name will benefit families from Virginia with an emphasis on Northern Virginia.

Thank you for your commitment to continuing Jackson’s legacy of helping others and for “thanking” military families!

Our Mission:
To keep the memory and spirit of Jackson alive throughout the community and to help raise funds for college scholarships for children and spouses of our nation’s soldiers.

ThanksUSA
Thanking America’s Troops and Their Families with the Gift of Education

About ThanksUSA
Our liberties come with a heavy price. America’s servicemen and women volunteer to serve our Nation and find themselves on the front lines in Iraq and Afghanistan. As a result of this dedication of their careers and lives to our great Nation, the loved ones left at home become, in a way, our families and our children too.

ThanksUSA is a non-partisan 501(c)(3) organization that mobilizes Americans of all ages to provide tangible thanks to the men and women serving our country and defending our freedoms through need-based educational scholarships to the dependents and spouses of active-duty U.S. military personnel, with special emphasis given to those who lost a loved one in service to America.

Scholarship Program Highlights
ThanksUSA’s scholarship program is unique in that both spouses and children of active-duty men and women can apply to the same organization for support. Our scholarships are need-based – enabling those who most need and deserve the opportunity to transform their lives through higher education the opportunity to do so.

- Since ThanksUSA’s inception in 2006, we have awarded 2,800 scholarships for a total value of nearly $8.5 million;
- Our scholarship recipients represent all military branches – Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard and Reserve – and come from each of the 50 states and the District of Columbia.

An Urgent Call
In the past year alone, ThanksUSA received 1,800 applications from the spouses and children of our armed forces. While we were honored to provide 300 scholarships valued at $3,000 each, we could only meet a small portion of the need among deserving applicants. In 2013, with your help and that of other like-minded Americans, we seek to award at least 500 scholarships totaling $1.5 million.

Responsible Stewardship and Operational Expertise
Supporters of ThanksUSA can be confident that their funds will be used effectively and only for the intended purpose of the scholarship program. Our fiscal responsibility and financial transparency, strong governance, and an average expense ratio of only 10% over the past five years serve as an excellent measurement of the integrity, financial health, and operational stability of our organization.

90% of your contribution supports the scholarship program
Army dependent Hannah Solem is eager to begin her final year of undergraduate studies at Liberty University. Inspired during a ministry trip to Chinese orphanages, this Family and Consumer Science major wants to dedicate her education, talents, and energy to serve as the “voice of advocacy for orphan care.”

In preparation, Hannah is interning with the Government Affairs office of the Family Research Council in Washington, D.C. She is a liaison to 39 Family Policy Councils that work at the state and local level. In addition to policy analysis, she is gaining valuable experience in media relations.

Hannah explains, “Since I would like to work on the legal side of orphan care and adoption, this internship has been tremendous in the sense that it has trained me in public policy affairs and relations.”

Including her $3,000 2012-2013 Jackson Casey Fund/ThanksUSA scholarship, Hannah has received consecutive awards from ThanksUSA totaling $9,000.
