About ThanksUSA

ThanksUSA was established in 2005 as a national non-profit organization that THANKS the men and women in the U.S. military by providing scholarships to a two-year, four-year and vocational education, based upon financial need, for their spouses and children. With these scholarships, they can pursue educational and job opportunities otherwise out of reach. ThanksUSA has awarded nearly 3,400 scholarships with a total value over \$10 million to military families in all 50 states and every branch of the military.

"I hope the ThanksUSA scholarship program will continue to help military families long into the future."
