"This is a wonderful program. My wife, Lori, and I both come from military families and are proud to support a great cause like this for our brave men and women in service and their families."

ABOUT LANE

Lane Evans is a Certified Tennis & Golf Performance Specialist. He is a 30-Year USPTA Elite Professional. Lane and his wife Lori have recently moved to Norman, OK where they run a family business but continue to serve the tennis and golf communities of Oklahoma City. Lane works with both First Serve of OKC, a non-profit organization that helps under-served kids from throughout Oklahoma and First Tee of OKC, a golf program that also serves children in OKC. Lane also continues to work with high school players in Moore and Norman, OK.

Lane, who served on the USPTA Southern state and division boards for many years has most recently been elected to the USPTA National Board beginning January 2020. Lane is certified as an iTPA Master Tennis Performance Specialist, by (TPI) Titleist at Fitness Levels 1 & 2 and RacquetFit, by Super Speed Swing at all three levels and has four fitness certifications by the International Sport Sciences Association. He will become a Master Trainer with ISSA in 2020. He has been awarded the USPTA Southern Professional of the Year, The USPTA National Industry Excellence Award, The Fred Burdick "Pride of the South" Award, The North Carolina Professional of the Year Award, and has been recognized at both the division and national levels for education merit. He is Chairman of the USPTA National Fitness & Wellness Committee that has recently re-written the Specialist Degree for Tennis Specific Fitness.
