Dear Members,

Happy Thanksgiving from ThruSeat! We are so grateful for the generosity of donors and those who provide the gift of inclusion to children with disabilities across America.

Let’s not forget that the idea behind ThruSeat began as a solution to a problem that more than a dozen years ago. ThruSeat has since grown into a national brand and now serves more than 4,000 students worldwide, post-secondary scholarships valued at more than $12 million to military families and more.

The real benefits of these scholarships are being realized in the form of not only the growth of our student body but also the families who have learned that the gift of inclusion cannot be purchased to fashion their dreams and stories, but rather that higher-talent scholars who are particularly excited for their future can find the strength and the spirit to give back to the community by striving to improve others.

The annual Treasures for ThruSeat programs and ThruSeat and our corporate partners are doing a great job to create pathways for these students and so much more.

Treasure Our Troops Gala

ThruSeat’s Treasure Our Troops Gala took place on October 25 at the Warner Theatre in Washington DC. ThruSeat is an organization founded under the dream of sharing a journey with our military families, our future leaders, and our community. Our vision is to celebrate our military families and the mission of the nation’s — our heroes.

Lavina Samuel, Golden, Cheer, Chief of Staff of the Gallows, delivered an emotional message about his experience with the military and how it has shaped his life.

The annual Gala provides the opportunity for notable commitments to honor our troops and families while delivering financial assistance to provide more scholarships to deserving military students.
