Congratulations to our scholarship awardees for the 2015-2016 academic year. Thanks USA has awarded over $11 million in scholarships since 2006. Each of this year’s recipients is a well-rounded student who excels academically while supporting his or her local community, campus, and fellow students.

During the annual week of June 19th, we look to the scholars, past and present, selected through ThanksUSA’s national system who thrilled us by their dedication to a variety of educational areas. Always, from Bank of America and the Friends of ThanksUSA to sponsors of our Recognition Dinner, we are most grateful for your support of our mission.

Thank you to everyone who participated in ThanksUSA’s 10th Anniversary. This was a resounding success. These 10th anniversary events included an inspiring grand finale in New York City.
