

USPTA Renews Support of ThanksUSA and the Tennis Thanks the Troops Campaign

Jean Pletchette, Director of Sports Initiatives, ThanksUSA

In 2012, ThanksUSA and the United States Professional Tennis Association (USPTA) teamed up to encourage tennis professionals and enthusiasts nationwide to raise funds to benefit military families through the Tennis Thanks the Troops campaign.

After nearly 10 years, the USPTA has recommitted to assist ThanksUSA in their mission to say ‘thanks’ to our service members and their families –

by helping to close the financial gap for thousands of military spouses and kids seeking higher education and meaningful careers.

ThanksUSA is grateful for the continued partnership with the USPTA and all the tennis professionals who have advanced these efforts nationwide. Please plan to join us on December 12, 2021 at the USTA National Campus for an unforgettable event to support

military families through ThanksUSA.

“We are always excited to team up with ThanksUSA to provide scholarships to deserving students of military families,” USPTA CEO John Embree said. “The Tennis Thanks the Troops partnership allows our association to show our appreciation to the military and their families. This initiative is always well supported by our members and is an annual priority of our association.”

ThanksUSA is a 501(c)(3) organization that honors the men and women of the United States Armed Forces by providing need-based scholarships and enrichment opportunities for their spouses and children.
